PROFESSIONAL SUMMARY

An initiative-taking and results-oriented inspiring software developer with a passion for crafting efficient, scalable, and user-friendly applications. With proven ability to collaborate effectively within cross-functional teams, utilizing strong analytical and critical thinking skills to deliver high-quality software solutions. Eager to contribute to innovative projects and continuously expand my technical expertise in a dynamic and challenging environment.

EXPERIENCE

NOV ENGINEERING, LLC, Norcross, GA

Field Engineer – Construction Material Tester, January 2023-CURRENT

- Conducting rigorous testing, identifying defects, and ensuring the quality of materials. • Collaborating with development teams to understand project requirements and provide timely feedback. • Developing and executing comprehensive test plans. • Documenting and tracking issues, defects, and resolutions using industry-standard tools. • Providing clear and concise reports on test results to project stakeholders.

SIPS INSTALLATION PROFESSIONALS, Tempe, AZ

Installer, April 2021-December 2022

- Constructed exterior walls using structural insulated panels (SIPs) to meet quality and safety standards. • Ensured airtightness and consistent insulation by sealing SIP seams per manufacturer specifications. • Adhered to building and safety regulations throughout the installation process. • Maintained a clean and organized installation site.

T-MOBILE CALLCENTER, Homewood, AL

Coach, Team of Experts, January 2017-March 2021

- Exceeded technical support team and individual performance objectives by providing effective coaching, feedback, and support. • Utilized metrics and data-driven insights to improve team performance and resolve customer technical issues. • Minimized escalations through skillful coaching and handling of escalated customer calls.

CARMAX AUTO SUPERSTORE, Hoover, AL

Sales Consultant January 2016-January 2017

- Conducted customer interviews to understand their needs and preferences. • Presented vehicles, assisted with credit applications, and processed transaction paperwork. • Provided support to online customers through the eSales office.

VIRGINIA COLLEGE, Birmingham, AL

Associate Director of Enrollment March 2008 – September 2015

- Developed and implemented recruitment and matriculation plans to meet enrollment goals. • Monitored production and maintained high standards to achieve or exceed objectives. • Actively engaged in recruiting efforts, including attending events and outreach programs.
